

WEEKLY/MONTHLY EVENTS

MONTHLY AND/OR WEEKLY JAMS are numerous throughout the area covered by bluegrassdog. Many of them can fade away and the word does not get back to the clubs, etc.

They are just too numerous to try to cover correctly. Some of them will often cancel or defer their dates to other weekends when some type of conflict arrives for that week. I know of many jams on other web sites that have discontinued, sometimes, several years ago. If you know of any of these sites that have shut down or changed dates please e-mail bluegrassdog@bellsouth.net

Always check before driving a great distance to attend these events.

FOR MUCH BETTER LISTINGS of weekly, monthly, etc. events may we **recommend:**
