We fill all ticket orders according to the time they were received. We use the initial online order time or time of the phone call to place the orders in line for fulfillment. **Calling to verify your online order isn't necessary**, but if you want to talk to someone before your order is filled, add that request in the comment field and we will call before we assign your seats. The first few days of ticket sales are crazy, so be patient with us!

The Argyle Bluegrass Festival is 'ticketless'. We will utilize an email confirmation system and wristbands distributed at the festival doors.
